

# K.L.E. Society's Bachelor of Computer Applications Jagadguru Tontadarya College, Gadag.

Re-accredited "A" Grade by NAAC with 3.24 CGPA

# WHERE YOU WANT TO REACH?

## ADMISSIONS OPEN FOR BCA

## Want to be a Professional?

**Come, Join us and build a bright career.**

After PU, it is foremost to decide the next step for making bright career. On this standpoint, if the perspective of the student is to select a professional course, a rewarding career then selecting a job oriented course is one of the prominent step to succeed in future.

Most of the IT companies, across the globe prefer graduates with Bachelor of Computer Applications (BCA) degree possessing technical skills to other degrees. The BCA degree incorporates skills required for IT companies such as Soft Skill, Effective Communication Skill, Technical Skill and Personality Development Skill.

This leads to the better career opportunity in Corporate Sector and also to become successful Entrepreneur in the Society. The college has been focusing on organizing seminars, workshops and certification courses for students and accordingly arranging industrial expert talks in association with several organizations and academies.

The efforts of the Institute are aimed to deliver good human beings to the society and contribute effectively in Nation building.
